I first noticed this book while shopping in my local grocery store one evening. I was extremely surprised to see a hardcore Christian deliverance book this kind of setting. Needless to say it piqued my interest, so I picked it up and looked through it. I was astonished at the amount of stuff packed into this little book. I did not buy it that night, but went home to research it on . What I found was that it is actually 2 previously released titles re-released into one compact book. I did go back and buy it the next day. I am extremely happy with it. The first part of the book, or rather, the first book, contains prayers to release the power and authority and blessing of God upon your life through praying the scriptures. He is most definately NOT a scripture twister, trying to whip up formulas to manipulate God. Rather, he is teaching believers to pray, think, and walk in a higher place of victory through the awesome power of God made available to us through Jesus Christ. This is the best way I know how to put it, because it is definately unlike any other book I have ever run across. Also

contained in the first part are prayers of renunciation of evil in many diverse forms, and prayers for self deliverance. He also has various pages which are informative to read, about satan's tactics and different kinds of bondages, and how to walk in victory and deliverance. The second book explains first, and then leads you through, deliverance of various kinds of curses that may be affecting your life without you even realizing they are there. I can't recommend this book enough. Very few Christians are walking in total freedom. This book will help you identify and get free of any areas where you may be walking in bondage. Then use it to set others free!

THIS BOOK ACTUALLY HELPED ME RID A HOUSE OF A SPIRIT THAT WAS MAKING PEOPLE FEEL VERY UNCOMFORTABLE. I HIGHLY RECOMMEND THIS BOOK TO ANYONE LOOKING FOR SPIRITUAL HEALING OR FOR WARFARE AGAINST SPIRITS.

I seen this book in a local book store not long ago and after I looked through it I could not believe the great power of god that was in this book. At first glance after seeing how this book was put together I had to have it. This book is a must buy for anyone who wants to amplify there spiritual walk with God because it details prayers that help deliver anyone from spiritual bondage as well as how to break curses that the devil and his domain has set against you. I would give this book a 10 out or 10 and would advise anyone who want's to take hold of there life with the great power of God to buy this book.

I'm 27 years old and I want everyone reading this to know how important this book is. If the bible is the cornerstone of our faith, I believe this book (and "PRAYERS THAT BRING HEALING AND ACTIVATE GODS BLESSING") are the windows and doors. I prayed from this book and in the first night (God shows me many things in dreams) I had an experience that changed the way I think. (God deals with all of us differently) but this book let me see how important it is to mind what we say and the power of demons and principalities that would harm us. It shines light on things you wouldn't attribute to being demonic...things we take for granted every day... things we excuse because it is inconvenient to deal with. This book is changing my life. I know if you read it it will change yours too.

FROM THE SMALLEST LITTLE DMONIC WHITE LIER SITTING ON YOUR SHOULDER, TO THE MARRIAGE BREAKING, MURDER CAUSING DEMON WHO IS BLOCKING YOUR PATH. THE PRAYERS ARE FROM THE BIBLE AND THEY WORK. I GOT ONE AND THEN MANY OF MY FRIENDS SAW IT AND WANTED ONE AND BOUGHT AND USED ONE TOO. DEMONS MAY BE

ROUTED, BUT REMEMBER, YOU START TO DO GOOD FOR GOD, AND THE BIGGER GUYS WILL COME YOUR WAY, SO HOLD ONTO YOUR HAT AND PRAY...WITHOUT CEASING!!!!IT IS A KEEPER!

Found this author clinging to the cross! Was abundantly blessed by this book! Read it in two afternoons. It is mostly Scripture, combined with the benefit of the biblical doctrines of angels, Christ, sin, and spiritual authority. The author's humility and clinging to Scripture is significant!

I got this book at Walmart. I picked it up because it looked interesting. I am an Evangelical Christian and have always shied away from "prayer books". But this book is simple and amazing and straight from the Word of God. The prayers have changed my life, by convicting me of sin and giving me prayers that release the power of God over the Darkness. There are parts of the book I can not even read until I get right with God and with man, you can not ignore the demand to get right. There are prayers that acknowledge who I am in Christ and why I am here. The book has prayers that engage the enemy and rebuke it. At first it seemed silly to be so serious about the evil spiritual world, but I now I don't want to be without this book. It is teaching how to do spiritual battle using the Word of God and the Power of the Holy Spirit in Jesus name. I don't always agree with Dr. Eckhardt theologically, but he has put together an amazing book to help Christians of all denominations over come discouragement and defeat. Just Pray the Word of God.
