Customer Reviews

NOT a true book, is an ADVERTISEMENT for her DIET This 'author', and I use that term LOOSELY, is using books to advertise her DIET book. Her DIET BOOK that can be found by clicking the links in THIS (AND ALL OF HER 'BOOKS') is what this book is ABOUT. WASTE OF TIME WHY BOTHER reviewing all this FAKE BOOKS? TO WARN OTHER READERS!!

On the sourdough bread recipe it says use sourdough starter but doesn't explain what that is or how to make it. On another recipe it says to continue cooking? How? Needs more instructions for those who aren't familiar with bread machines or the recipes.

Thank you producing a concise number of recipes that will be main stays in our house! Each recipe requires a reasonable number of ingredients! I am elderly and just need good bread - not fancy bread!

I've had a bread machine a little while now and never used to use it too much. Really glad I got this book though, I didn't realise there was so many possibilities! The recipes here have made the subject interesting to me again. A couple of people have tried the recipes I've already made from this and they also enjoyed them a lot! :)

I absolutely love this book! I've tried three different bread recipes and they came out perfect! So good you wouldn't believe it! I'm not buying anymore store bought bread!!!

I am a fanatic for home made bread. I don't like the way it bakes in the bread machine so much so I always use the dough cycle and shape into loaves before baking. I make egg bread and feed it to our outside birds as well as what we eat. Bread is a staple food and nothing is as satisfying as the smell of bread baking. Use odd shaped pans, ovenproof dishes for baking, for extra interest. Use an electric knife to cut it while it's warm, slather it with real butter and add a dollop of a good blackberry jam and you are in heaven. Bread is always good for hostess gifts, apologies, with soup for sick people, and as a funeral offering of your condolences. No one has ever turned me away from their door when I came with a loaf of home made bread!

I really like this book, it has a lot of great recipes in it. There are quite a few recipes that are our favorites, if I have to pick my favorite I'd have to say the Buttery Egg Bread.

I love fresh home made bread and this book is full of some really delicious recipes I hope you will enjoy as much as I do.
