Warman's Premium State Quarter Album

Synopsis

The U.S. state quarters series has attracted millions of collectors since its launch in 1999. What better way to display them than in an attractive four-ring binder with durable plastic sheets designed especially for holding coins. Coins can be viewed from both sides and are held firmly in place. Coins can be easily removed. Each page is accompanied by a cardboard interleaf to guide collectors. This book is for collectors looking for a step up in quality for storing their coins. The binder is substantial, authoritative and attractive. The insert pages are solid, and allow for more frequent in-and-out insertion and removal of coins without degradation of the product.

Customer Reviews

I like this album better than the old type with the slides. All it needs are some stiff pages to help hold up the plastic page.

Very easy to slide coins in the plastic . Great for a beginner coin collector to use.
