Synopsis

An Adult Coloring Book of Beautiful Flower Symmetry, featuring 24 lovingly hand-drawn full page illustrations each presented in two sizes, for colorists and crafters alike. If you love flowers, and you love beautiful symmetrical patterns, then this is the perfect book for you! A full length video preview of the book is on the Author Page, just click on the Author Name at the top of this listing. This book has been created with the Colorist in mind. Whether you are a brand new colorist or have been colouring for years, each calming page has been specifically designed to take you away from the stresses of daily life and into a world filled with the beauty of creativity. The feedback we hear most often is, "Wow, this was fun to color!". 24 Full Size, single-sided pages, PLUS 24 crafter size (5" x 7", single-sided, 2 on a page), perfect for cutting out and framing, mounting to a greeting card, or using on a scrapbooking page. Cover (front and back) features a large selection of the pages INSIDE the book, which is ideal for those who like to make purchases online or in-store. Also, be sure to check out the "Inside the Book" feature to see a proof page of the images all on one sheet. This book is printed on #60 Bright White Paper. We recommend using a dry medium like colored pencils, though an instruction page is given so colorists know what to expect when they choose to color with wet mediums which may bleed through the paper (such as Markers and Gel Pens); and blotter/color test pages are provided at the back of the book for this purpose.
