Synopsis

Getting Your FREE BonusDownload this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion.Crochet Mandala For Beginners:(FREE Bonus Included)Learn To Create 15 Amazing Crochet Mandala PatternsThere is something that is just so exquisite and so intricate about a mandala pattern. The way the colors flow and the different pieces come together to create something that is both luxurious yet simple, so colorful yet subtle.No matter what kind of home you have, whether you decorate modern, classic, or embrace your own style, a mandala pattern is going to bring the room up from boring to soaring.And this book is going to show you how you can make your own.If you have ever shopped for mandala rugs, you know how much they can run. From hundreds to even thousands of dollars for a single piece, you are going to be far better off creating your own mandala pattern and turning it into something that suits your home and your style perfectly.I know the look of these rugs is intimidating, and if you have never crocheted one before you may wonder if you will even be able to do it, but let me assure you, these rugs are easy to make and fun to createâ | you can make one as large or as small as you like, as simple or as intricate, and something that is entirely you.Let me show you how you can take a hook and some yarn and create a piece that is as beautiful as you are, following the elaborate yet simple mandala patterns. You donâ ™t have to be an expert at crochet, you just need to be able to make a few of the basic stitches, and you can make any one of these beautiful patterns. Crochet beautiful patterns that are easy to read and simple to follow Put in your personal touch and make them your own Find the rug that is perfect for your home and your preferences Mix and match for every room in your house And more! Customer Reviews

Beautiful patterns, clearly written and easy to follow for the beginning crocheter, easily combined and adapted by the advanced crocheter. The classic designs wear well, and I have adapted the mandalas to make everything from shrugs to curtains, lampshades and kitchen scrubbies. A very nice pattern book overall, especially if you're looking for portable, fast, yet beautiful items.
