Customer Reviews

I just joined Prime and thought "borrowing " this book would be a good way to learn about the service. It wasn't. It is woefully short, maybe a booklet, certainly not a book. The info is by and large out of date or just wrong. Don't waste your time , money, or monthly borrow.

There is a disturbing error that made me read it again twice, back to front, front to back. First page declares 'annual charge 79.00"--last page says " 79.00 a month".

not worth the waste of a month of prime.I wish I'd believed the other bad reviews. don't do it to yourself!

Dated needs to be updated. No mention of music free downloads provides. The library name haschangedThe name has changed and

Severely outdated, publicly posted information and charged $2.99 for it? ought to take this book down. also needs to create a lending library with ALL its library books in one place rather than making the prime member having to search everywhere for it. 's Kindle website is going downhill. You specifically ask for one product (e.g., books that can be loaned) and you get all sorts of things in the search results.This part of Prime's service is NOT worth it. Plus, it is NOT a Kindle world out there. 's Kindle DEVICE (not app) is a niche market. They need to allow apps with Prime membership, and/or make their Kindles work a lot more like Android/Apple devices. Learning yet another software system just isn't worth it. I'm sending my Kindle back.

A brief highlight of the features of Prime. Even if you've used Prime for a while it's still useful. It might even tell you about a feature or you haven't used. Takes less than ten minutes to read.

easy to read, simple explanation of how the prime lending library and other prime products work. downside, quite a few typos, but that's just me being picky. I'm a first time tablet owner, and this really helped sussing the whole thing out. definitely recommend for the novice like myself. love my new kindle HDX 7!

Pick this book first, to learn about prime, only to find out it counts as my first borrowed book, took me 20 minutes to read and now I can't get another book til January.....just when I think it's worth it.....something happens to change my mind don't think I'll be joining after 30 days is up
