Customer Reviews

An Amish Christmas Carol by Sarah Price has turned out to be the most awesome story that I have ever read. It is hard to put into words that I want to say on this story. It is about a 75 year old Amish Women, her name is Elsie an at the beginning she thought she was losing her mind, because she

was hearing voices in the night when she would go to bed. Elsie is so use to being the one to take care of everyone. She was always too busy to worry about herself an so she ended up never having her own true family to care for. It is Christmas time now an she is finding herself alone with no one to take care of or to also have some one take care of her. The Bishop come by which is a surprise to her. Every time some one would come they would want to have her spend time with them an she always felt that she was a burden to them so she would say thank you any way but no. Just before it is time to fix some soup for her dinner a neighbor comes by an insisted that she sit down an let her wait on her that she had fixed a special plate for her. Later Elsie goes to bed an these dreams or what ever you would come an wake her. Christmas morning finds Elsie dressed any waiting for her Nephew to come by, how she knew this she wasn't sure. A knock on the door and she finds her Nephew standing there with a strange look on his face. Aunty you are up and I want to ask again will you come an have dinner with my family an when she says yes, he can't get over it. Elsie wasn't sure how to explain what had happened so she just says I would love to come and spend Christmas with you all. This story is sending a message to all an mostly to me.
