## Customer Reviews

Excellent Price Guide, Great detail on all Racing Collectibles.Can't wait for the next edition.

The 2005 price guide Beckett Racing Collectibles Price Guide features more cars, more checklists, and more die-cast replica models from 1910 to modern times, and is a pick whether you're a NASCAR, Indy or Formula One fan - or love sprints, drags or dirt cars. The staff of the professional Beckett Racing compile a pricing source which includes a checklist for all cards issues, values for both individual cards and sets, front and back photos of a sample card from most sets, and more.

First of all, I HATE the BIG UGLY picture of American Car Racer...do not know his name, on the cover of the book. Second, I hate NASCAR and Cheap political HOT WHEEL junk I do not even care for looking at. The book should focus on HIGH QUALITY COLLECTIBLE BRANDS ONLY. What a waste of paper~!!!
